

WINTER 2019

Power Prayer

The Nature of Effective Prayer

The Science of Mind Teachings helps us have a greater understanding of the nature of Life and the Universe's relationship to the individual.

This class will deepen our understanding of the creative nature of thought and the use of spiritual mind treatment (affirmative prayer) as a means of directing thought toward a specific result.

Sign up now for this adventure with other like-minded individuals in a safe, supportive environment.
